The removal of the dead house seems to have been occasioned in connexion with Electric installation at Bhownagar. The matter seems one to be settled between the Mills on the one hand and the Commercial Electric dept on the other. With this observation the papers may perhaps be returned

24/2 6 As the removal of the Dead House to another place is found to be necessary, the Dist Bd has to pay its proportion so long as the other parties are prepared to pay their proportion. The work might have been undertaken for various reasons. The removal is said to be necessary as the building is situated in the midst of public buildings.

The Dist Bd contend that the removal of the building would not be necessary but for the erection of the Electric Transformer House, Station & quarters for Operator &c. & as such the Electric

SUBJECT:— Dead house at Chennapatna.
LPB 42-27-21

SIR,

I have the honour to forward herewith for orders of Govern-ment a resolution of the District Board declining to pay their quota for the construction of the dead-house at Chennapatna. The dead-house at Chennapatna has to be removed for the reason that it will be in the midst of ~~the~~ public buildings. In these circumstances it is a legitimate charge on the Government, District Board and the Municipality and I would therefore request you to move the Government to veto the resolution of the District Board and to direct the President of the Board to pay the Board's quota of the cost of the new dead house.

2. The matter may kindly be treated as urgent as the existing dead house is causing considerable inconvenience to and hindering the work of the Electrical Department at Chennapatna.

I have the honour to be,
Sir,
Your most obedient servant,
G B Heblikar
Deputy Commissioner,
